Subject: Foot and mouth disease (FMD) new outbreak in Slovakia, measures in place

Message:

Please find attached information from the competent authority of Slovakia on a new outbreak in a cattle establishment located in an area already under restriction for FMD. Application of EU measures¹ has already started. See maps which show application of restricted zones as well as location of this new outbreak compared to previous outbreaks in Slovakia and Hungary.

I will keep you informed of further developments.

Yours sincerely,

[e-signed]
Bernard Van Goethem
